

Introducing The Miko

Play, engage, and participate on the go with the Miko pediatric mobility chair. Available in 3 fun colors, and 2 sizes, the Miko offers a sporty frame, stylish flexi seating, and superb positioning support for children with limited mobility.

STANDARD MODEL FEATURES

Tilt in Space:

Tilting the chair offers proven pressure relief by redistributing the pressure of the child's back, shifting it away from posterior locations.

Reversible Seat Position with Quick-Lok:

Our patented technology allows the seat to be easily moved from forward to backward position. Quick-Lok release allows for ease of transport.

Postural Support:

With tilt-in-space and recline features, the Miko with Flexi can be adjusted to multiple angles, making sitting for a long period more comfortable for the child. Arm rests are adjustable and removable.

Color-Coordinated Mobility Base:

Available in 3 Colors to match your chosen seating system.

Enhanced, Complex-Style Seating Design:

Includes adjustable width and depth cushions and adjustability at no extra charge.

Transit Brackets

Included standard on each model. The Miko is Safety tested for transportation.

Quick Ship:

Stocked for quick ship.
