

R82[®]

CrocodileTM

The Crocodile is a walking aid for children and young adults to help them into a more upright position. It is placed behind the child and its lightweight design makes it easy to move. The Crocodile is available in 3 sizes.

FRAME

270 - 690 mm

390 - 1000 mm

max. 1800 mm

max. 80 kg

Height adjustable top frame

Easy to adjust the height without using any tools

Multi-adjustable handle

Positioning the grips close to the body gives better support and a better walking position

On/off anti-reverse handles

The anti-reverse wheel stops are used for children with less balance and control

Accessories are easily added or removed for the carers convenience
