Tilt in space

The seat unit tilts from -20° to 15° to accommodate both relaxed and active sitting postures

Angle adjustable push brace

Small details - big difference

The cushions are made from thick comfortable foam with breathable covers. Small details like cushion shapes that protect the user's knees and extra durable edges, make a big difference in everyday use

Built-in growth

Wombat Living offers stepless adjustment for growth. Move the backrest forward or backward and adjust the hip supports to fit any user size. The hip supports also angle to support the user's hips and thighs
